THE STANDARD OF THE WORLD

THE CANADIAN OTIS ELEVATOR CO. Ltd. HAMILTON, ONT.

WINNIPEG OFFICE: 44 CANADA LIFE BLDG

No matter what your business, use good printing. It's the dress by which the public judge you. We can please you and make your printing a profitable investment. If you don't believe it, try us. Remember, every scrap of printed matter that bears your name is an advertisement.

A business man's printing is like his clothing. It gives others their first impression. This impression, favorable or otherwise, grows into a reputation.

Your letterheads, bill heads, statements, envelopes, booklets, catalogues, etc.; are they the kind of printing to give you a good reputation.

Look your printing over, then choose your printer carefully. No piece of printing is too small to merit and receive thoughtful, careful treatment in our office; an envelope corner is given as much consideration as a large job.

Our business has grown and is evidence of the fact that our patrons have been well treated and are pleased. We want to add your name to our list of customers.

PRICES—Fair and moderate. NOT "lower than the lowest."

Liberty (of the Press) Enlightens the World

THE VOICE

A weekly paper, published in the interest of the working classes; edited by A. W. Puttee, Ex-M. P. (Labor). A paper free to express itself on all current topics. Municipal matters given special attention.

ADVERTISING

As an advertising medium The Voice has a special field. Manufacturers and retailers, who wish to make their goods known to the people, are not taking full advantage of the opportunities presented to them if they do not use the columns of The Voice. Proportionately, a weekly is a better medium than a daily and the cost is only a sixth. "The Voice is a business bringer," this is the opinion of our regular advertisers.
